Great rates on eye exams

Routine eye exams are good for your eyes and body.

They help:

- Keep your vision sharp
- Spot eye problems earlier
- Find signs of diabetes, osteoporosis and other serious conditions, before they become a bigger problem

And your cost for an exam is discounted. Even if your plan covers your first exam, you can get another one later at a discounted price from a doctor participating in the discount network.

How to save on eye exams and eyewear

It's easy.

Step 1: Find a participating eye doctor at www.aetna.com.

Step 2: Set up an eye exam.

Step 3: Choose from the latest in lenses and most designer frames.*

Step 4: Show your Aetna ID card for instant savings.

You don't have to get a referral or send in a receipt to get money back. You get savings right on the spot. And there are no limits on how many times you can use the discounts.
